Session Recording & Monitoring

By using this site, you consent to our use of session monitoring and replay technology to collect information about your interactions with our site.

This includes:

- User Interactions (e.g., mouse movement, clicking, scrolling, and other navigation patterns);
- Session Recordings (e.g., visual reproduction of your browsing);
- Collection of Technical Information (e.g., browser type, device information, screen resolution, operating system, and IP address); and
- Page Performance Data (e.g., load times, errors, and other technical issues)

We use Session Monitoring and Replay Tools to:

- Improve your experience by identifying and correcting technical issues;
- Understand how visitors navigate our website to enhance functionality;
- Troubleshoot any problems you may encounter;
- Optimize website performance and design; and
- Provide better customer support

How We Protect Your Information:

- Sensitive form fields are automatically masked or excluded from session recordings;
- Session data is stored securely with access restricted to authorized personnel only;
- We implement security measures to protect collected data according to industry standards; and
- Data retention is limited as necessary for the purposes described above;

Third-Party Service Providers: Session monitoring data may be processed by third-party service providers who assist us in operating our website. These providers are contractually obligated to protect your information and use it only for the purposes we specify.

Intellectual Property
